MUR # 7245

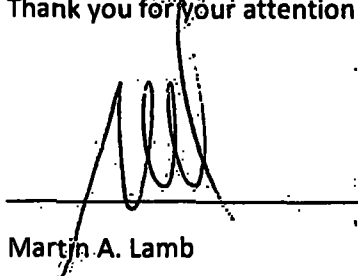

To whom it may concern,

I am writing to file an official complaint against Shiva Ayyadurai, who claims to be running for U.S. Senate in Massachusetts.

The required "paid for" disclaimer is in violation of (11 CFR 110.11(c)(1) in that it is difficult to read and easily overlooked. The notice is placed after a large space gap and is in a very light print. Additionally, the disclaimer is in violation of (11 CFR 110.11(c)(2)(iii) in that the degree of contrast between the background color and the disclaimer text color is not at least as great as the degree of contrast between the background color and the color of the largest text in the communication.

I am enclosing print outs of 5 separate e-mails that I received from the campaign

Thank you for your attention to this matter.

I tweeted out news of her RETURNING my gift a few days ago. Millions of Americans are now commiserating with me. Just today, FOX News picked up on this story.

It is time for the REAL INDIAN to unseat the FAKE INDIAN. I earned 4 degrees from MIT including my Ph.D. (without lying on my application). I created 7 successful companies in Massachusetts that provided many, many jobs.

My life has been about solving BIG problems. I invented the first email system so secretaries didn't have to waste time using paper memos. I went on to solve many other problems in technology, communication, health and medicine. In fact, my latest company, based on my invention CytoSolve, allows us to mathematically model the human cell on the computer so we can discover and develop new drugs and medicines (including nutritional supplements), that actually work, faster and cheaper.

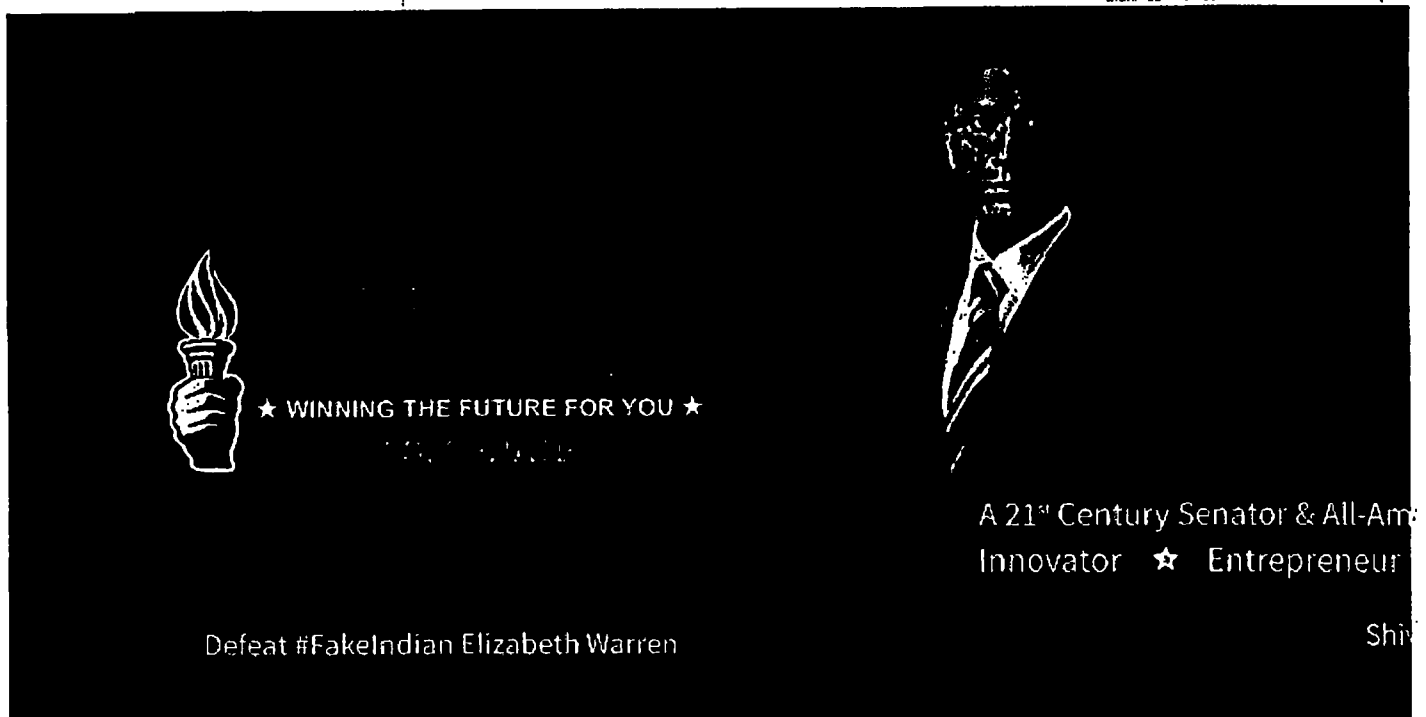

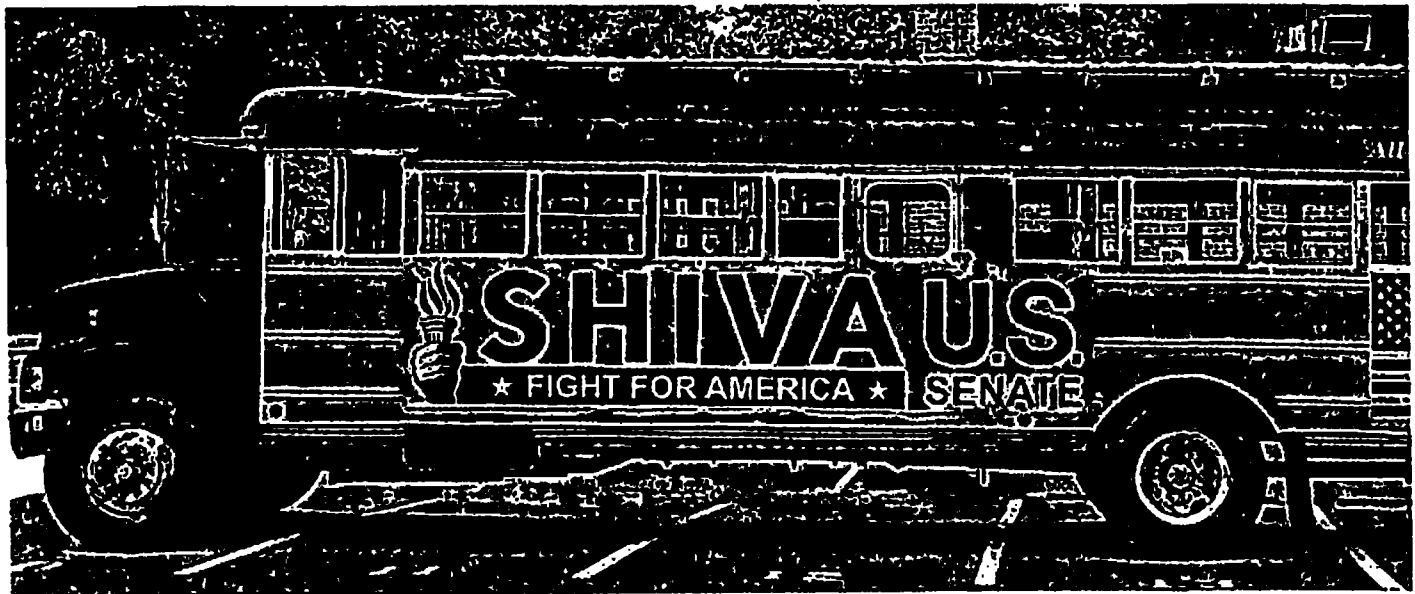

The biggest problem which we have as a country, which President Donald J. Trump is fighting heroically, is the collusion between academia, media and government who create FAKE SCIENCE, FAKE NEWS and FAKE CHANGE. My campaign is about WINNING THE FUTURE FOR YOU by solving problems to deliver Clean Air, Clean Food, Clean Government, AND Real Jobs, Real Health and Real Education.

I know how to do this. Please take a few moments to make a donation of \$2700, \$1000, \$500, \$250, \$200, \$50 or \$25 for Shiva 4 Senate. If times are tough, we understand. You can support our campaign in many other ways by being a volunteer or a follower on social media.

Let us not forget, on this July 4th, that the Founders of this great country were blacksmiths, soldiers, entrepreneurs, fighters, scientists, inventors --- workers. They were not career politicians who stole, lied and schemed against you and me. Massachusetts is where the American Revolution began and now it is time for a New American Revolution. Join us!

Happy 4th of July,
Shiva

P.S. We will be in the Plymouth and Duxbury Parades on July 4th. Please join us.

The Founding Fathers created a revolutionary nation in which innovation, education, creativity, and meritocracy flourished. Those core values drew my family to immigrate to the United States, where I earned 4 degrees from MIT, started 7 companies, and provided many jobs to Massachusetts citizens. I'll always be grateful for the opportunities I've found here. Now I'm committed to preserving, protecting, and expanding those opportunities for the citizens of Massachusetts and for all Americans.

THE REAL INDIAN vs. THE FAKE INDIAN

High-Tech Entrepreneur & Businessman
7 Successful Companies in Massachusetts
Created 100's of JOBS for Massachusetts
MIT Scientist with 4 Degrees from MIT

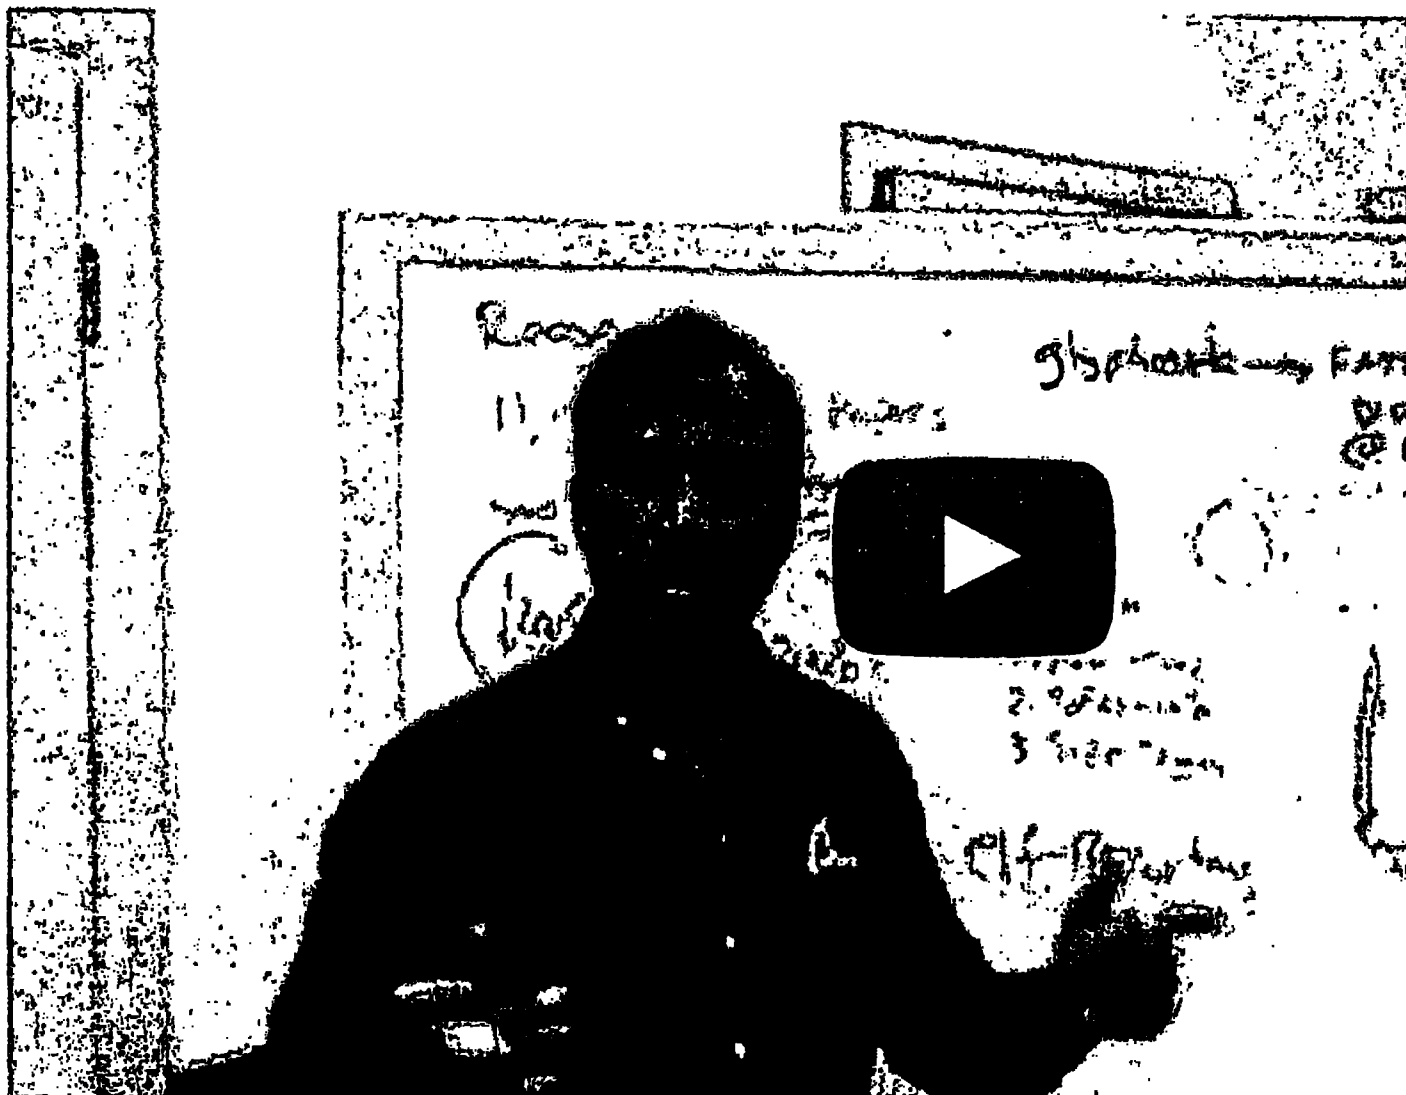

Lawyer-Lobbyist & Academic
Self-Serving Career Politician
Lied to Get Into Harvard
Got Paid \$350,000 for Teaching ONE Class

Most importantly, my education and work as a high-tech entrepreneur taught me how to **SOLVE PROBLEMS**. Career politicians and lawyer-lobbyists like Elizabeth Warren, however, make money by **CREATING PROBLEMS**. They divide our country by "Left" and "Right", "Liberal" and "Conservative".

The Shiva 4 Senate campaign is about solving REAL problems and WINNING THE FUTURE FOR YOU. As we approach the June 30th critical deadline TOMORROW, please take a few moments to make a donation of \$2700, \$1000, \$500, \$250, \$200, \$50 or \$25 to support our historic campaign to unseat the FAKE FIGHTER and FAKE INDIAN Elizabeth Warren.

One of the REAL problems we face is our health. Prevention is the way to REAL health. Nearly every politician has taken hush money from MONSANTO to keep silent while MONSANTO's poisonous pesticides and untested genetically engineered foods (GMOs) cause illnesses from diabetes to cancer and autism, which are growing explosively. The video below will explain to you what GMOs are and why you should be concerned.

ELIZABETH WARREN VOTED "YEA" IN SUPPORT OF THE MONSANTO PROTECTION ACT. That ACT passed under the Obama Administration allows the head of the Department of Agriculture to overrule any Federal Court Judge, who finds that MONSANTO's pesticides and GMOs are harmful to human health!

As a 21st Century Senator, my life has been dedicated to advancing human health by exposing the FAKE SCIENCE of MONSANTO, while providing REAL solutions so all of us, not just the ELITES, can have access to REAL food. Your contribution to our campaign will ensure that I am able to implement these solutions as your next U.S. Senator from Massachusetts.

When it comes to pollution, the REAL solution is NOT the Paris Accords but unleashing innovation to create CLEAN ENERGY, including clean coal, fusion, and fission. The video below explains why it was right for President Trump to pull out of the Paris Accords.

17044431478

ELIZABETH WARREN WAS SUPPORTIVE OF THE PARIS ACCORDS WHICH WOULD HAVE MADE TRILLIONS OF DOLLARS FOR HER FRIENDS LIKE AL GORE & CARBON TAX TRADERS ON WALL STREET.

As a 21st Century Senator, my life has been dedicated to solving problems through innovation. Your contribution to our campaign will ensure that as your U.S. Senator, I will focus the debate in Congress on unleashing solutions for CLEAN energy and not just wasting time debating whether climate change is occurring or not.

Career politicians know little about health or innovation. They have NO IDEA of how to create or make jobs. We deserve better. The SHIVA 4 SENATE campaign p'atform is summarized in THREE simple words: JOBS, JOBS, JOBS. Massachusetts deserves a future where our children get high-paying jobs. Right now for every 17 skilled job openings in Massachusetts, ONLY ONE person in Massachusetts is skilled enough to take on that job. They have no idea of how to solve this gap in skilled labor.

I do. I have been solving problems my entire life. What politicians are good at is

LYING and STEALING. THE FAKE DIEHL, another lying career politician, who couldn't even win a local State Senate seat, and who has ZERO chance of defeating Warren, is now taking advantage of our righteous anger against Elizabeth Warren to beg for donations, using STOLEN EMAIL LISTS from the Trump campaign, so he can make money for himself and his self-serving consultants.

THE FAKE DIEHL

Political Hack - Professional Liar - NO

THE LIE: "I am Trump Co-Chair from MA."

THE TRUTH: Vincent DeVito was the ONLY Tru

THE LIE: "I helped the Trump campaign."

THE TRUTH: Complete obstructionist. E.g. Fake signs to Trump's ground volunteers.

THE LIE: "I stopped the pay hike."

THE TRUTH: Wasted taxpayer money spending House chambers to project false image. No bill

THE LIE: "I stopped Boston Olympics."

THE TRUTH: Boston Olympics fell apart on its c to do with it.

THE LIE: "I stopped bill for sanctuary c

THE TRUTH: Republican caucus' hard Bill is not stopped. Another #FakeDiet

THE LIE: "I can beat Elizabeth Warren."

THE FAKE DIEHL has repeatedly lied to us of his many "accomplishments." His BIG LIE is that he was the MA Trump Co-Chair. When in fact, Vincent DeVito was the ONLY MA Trump Chair. There was NO "Co-Chair." The bottom line is: THIS IS EXACTLY HOW career politicians from the FAKE DIEHL to the FAKE INDIAN operate.

WHY? Because they've never invented anything. They've never built anything. They've never started a company. They've never had to hire (and fire) employees. They've never had to make payroll. They've never had to market, sell and deliver products. IN FACT, they've never had to serve anyone: employees, shareholders or customers. They HAVE, HOWEVER, spent their lifetime serving THEMSELVES and their political consultants who steal 30% to 40%, in commissions, on the donations you give them.

The SHIVA 4 SENATE campaign is about ending this nonsense and Winning the Future for YOU! As our June 30th deadline approaches, please take a few moments to make a donation of \$2700, \$1000, \$500, \$250, \$200, \$50 or \$25.

Thank you again. I hope the above videos serve to educate and illuminate --- the first step to solving problems and WINNING THE FUTURE FOR YOU.

Victory to Massachusetts & America,
Shiva
